### PUTTING CONTEST RULES

- Participants will play a four hole, stroke-play tournament. In the event of a tie, sudden death will determine the winner between lowest tournament finishers.
- The outright winner of the putting contest claims a prize.

### TOURNAMENT RULES

- Four person, scramble format.
- Each player hits a tee shot, with the preferred shot selected by the group, who then hit all shots from that spot (within one club length from the chosen ball but no closer to the hole).
- This procedure is followed on every shot for the remainder of the hole, including putts. The chosen ball on the greens shall be marked within 3 inches of the original ball prior to the first putt. **Pick up after a score of double par.**
- If the chosen ball is in the rough, a hazard (sand, water, etc.) or out of bounds, you may not drop the ball outside the rough or hazard, even if relief is within one club length.
- Each team shall use a minimum two drives and two putts per player.
- Men shall play from the White tees; Women from the Red Tees.
- Threesomes are permitted to hit a fourth shot from each ball location. However, the group shall rotate hitting the fourth ball so that no person hits the fourth ball on consecutive shots.
- Please sign and submit all scorecards to the Tournament Committee at the end of the round. Prizes will be given for the winning and losing teams, including ties.

### MULLIGAN RULES

- Mulligans are only available for purchase at the time of registration.
